Recent Developments

On October 24, 2019, the Pudong Branch of the Shanghai Public Security Bureau (the “**Public Security Bureau**”) announced on its website that it has completed its investigations against Shanghai Dianniu Internet Finance Information Service Co., Ltd. (“**Dianniu**”), Golden Bull Limited’s (the “**Company**”) variable interest entity for suspected illegal collection of public deposits (the “**Investigation**”). The Public Security Bureau has taken criminal enforcement measures against 17 suspects in this case, and have thus far detained 6 suspects. The Company’s management believes that the Company’s Chief Financial Officer, Jing Leng, and Director, Xiaohui Liu, as well as several members of Dianniu’s management may have been the subject of such criminal enforcement measures. The Public Security Bureau also has initiated online hunting for Mr. Erxin Zeng, CEO of the Company.

Due to the Investigation, the Chengdu office of Dianniu has been shut down by the government authorities and the bank accounts of Dianniu and all related personnel have been frozen for investigation. Dianniu’s office in Shanghai continues in assisting lenders in making collections from the defaulted borrowers, and cooperating with the Public Security Bureau and all other government authorities to provide documents as requested.

The Company expects to discontinue its P2P business in the near future and to start a new business with the proceeds expected to be raised from equity and debt financing.

The Company became party to actions filed by Guiyu Sun and Chao Shang on September 11, 2019, and by Jiangong Li and Zaiying Liu on September 12, 2019 (collectively, the “**Plaintiffs**”). The Plaintiffs are lenders on the Company’s platform that have had their loans defaulted on by certain borrowers and are taking action against Dianniu to recover their defaulted loans. The Company only facilitates loans by connecting borrowers and lenders on our platform and does not take control of funds that pass between such lenders and borrowers. Dianniu is also unable to take legal action against the defaulted borrowers or liquidate their loan collateral. Dianniu plans on filing motions to dismiss all claims by the Plaintiffs against the Company due to lack of standing.
